### **Detailed Itinerary**

**Day 1:** Your guide will pick you up from your accommodation at 08:00. The journey to Tarangire from Arusha is a scenic two and half hour journey. On route, you will experience a variety of scenic and vegetation changes, Maasai grazing their cattle along the roadside. In Tarangire Park you will be treated to a stunning diversity of landscapes, rolling hills, Acacia and Baobab trees. The Tarangire river winds its way through the park, providing watering holes around which wildlife gather during the dry season. This lush park is home to the largest population of African elephants, impala, giraffe, lions and approximately 500 species of birds. Following a box picnic lunch, you will enjoy an afternoon game drive, after which you will transfer to Simba campsite, overlooking Ngorongoro. Here your private cook will serve you a delicious sample of local cuisine, and spend a relaxing evening watching the sunset and listening to the

**Accommodation:** Rhino Lodge (or similar)

**Meals:** Box Lunch, Dinner

**Day 2:** After a hearty breakfast Your safari will take you down into the crater of Ngorongoro, for a morning and early afternoon game drive. Ngorongoro is a world UNESCO heritage site, located 180 km west of Arusha in the Crater Highlands area of Tanzania. The area is named after Ngorongoro Crater, a large volcanic caldera within the area. The Ngorongoro Crater and surrounding highlands together form one of Africa's most beautiful regions. Volcanic craters form stunning backdrops to some of the most fertile and richest grazing grounds in Africa. It is home to the highest density of big game in Africa, including four of the big five and plenty of predators. Ngorongoro is justifiably one of the continent's most famous safari destinations. It is the best place in Tanzania to see 'The big five', and the only place to see the black rhino along with some of the largest tusker elephants left in Africa.

Late afternoon you will be driven back to Arusha, arriving at your accommodation around 6pm.
